

BATAFLASH

2 players

32 cards

Win : When you win all the cards

Les enfants réinvestissent le nom des animaux et leur couleur. Il est important que tout le jeu se fasse en anglais : « Shuffle the cards, deal the cards. It's your turn, Great ! »

Shuffle the cards then deal the cards equally to each player. Each player places his cards face-down. The players turn their top card at the same time. The first player to shout out the name of the animal that appears on both cards win the 2 cards.
