## **Instructions pour le jeu de doigts :**

The finger game is played with both hands. Point both index fingers in the air and let them represent to different "persons" - Peter and Paul. So we go like:

**Two little dicky birds sitting on a wall:** both index fingers up in the air, move both of them.

**One named Peter :** Wiggle one index finger ("the Peter finger")

**One named Paul :** Wiggle the other index finger (the Paul finger)

**Fly away Peter :** quickly draw the hand with "the Peter finger" behind your head and hide it.

**Fly away Paul :** quickly draw the other hand ("the Paul finger's hand") behind your head and hide it.

**Come back Peter :** reverse the last action with "the Peter finger" hand

**Come back Paul :** reverse the last action with "the Paul finger" hand
